

Regional Legal Metrology Organizations Round Table

Monday, 3 November 2014, 13.30–17.30 – Auckland, New Zealand

Ref.nr. RLMO-RT2014-N02

Date: 2014-07-03

DRAFT Agenda

1. Welcome by the convener
2. Roll call
3. Confirmation of the agenda
4. Terms of Reference of the Round Table
The meeting will discuss whether it is desirable to draft more formalized terms of reference for the RLMO Round Table.
5. Updates from the regional organizations
The regional organizations are invited to give a brief presentation of their activities during the past year.
6. Possible common actions
7. Information on the scope and activities of the advisory group on developing country matters
The advisory group on developing country matters was set up by the CIML in 2013 (see CIML Resolution 2013/9, reproduced in the annex). The chair of the advisory group, Mr. Pu, the CIML Member for China, or his representative, will provide an update on the activities of the advisory group.
8. Discussion on cooperation between RLMOs and the advisory group on developing country matters
9. New web pages for the RLMO Round Table on the OIML web site
In previous Round Table discussions, it was suggested that better use could be made of the OIML web site in the communication between the participants. Now that the OIML web site is being reconstructed, it is a good opportunity to discuss possible functionalities that could be made available on the RLMO web pages.
10. Other matters
11. Conclusions.
The convener will report the conclusions of this Round Table at the 49th CIML Meeting, which will be held the following days.
12. Arrangements for a next RLMO Round Table and closure of the meeting.

Annex

Resolution no. 2013/9

The Committee,

Noting the report given by the BIML on its activities pertaining to developing country matters;

Recalling its Resolution no. 7 of its 47th meeting (2012);

Recognizing the importance of coordinating the various projects and initiatives promoted by the OIML, individual Member States and Corresponding Members, and other bodies with an interest in promoting the economic development of countries and economies with emerging metrology systems;

Emphasizing the necessity to respond to the needs of countries and economies with emerging metrology systems in the design of the projects and initiatives promoted by the OIML;

Welcomes the proposal from its Member from China to reinstate a leadership mechanism to provide guidance to the OIML on its activities in this area;

Decides to set up an advisory group for the time being, to carry out wide consultation, to seek additional suggestions and to build up links with other bodies which have a contribution to make;

Invites Members who wish to participate in the proposed advisory group to contact the BIML in order to express their interest in being involved;

Requests that the Regional Legal Metrology Organizations (RLMOs) at their Round Table Meeting on 11 October 2013 consider how existing initiatives can be coordinated with the work of such an advisory group;

Instructs the BIML to provide secretarial support, in conjunction with the staff which other Members allocate, for the proposed advisory group;

Requests its Member from China to report to the 49th OIML Meeting on the activities of the advisory group and, if appropriate, to propose a permanent mechanism for coordinating activities in this area, taking account of previous experiences of attempting such coordination.
